Frequently Asked Questions from Guests

How do I tell if a guest has a Package?

If the guest has a Package at the hotel, (s)he will receive a message in the guest room. The message is actually input into Galaxy by Mailroom Staff, which activates the message light on the guest room telephone. The Package Tracking Tool should have the updated information on the J: drive as well. All packages, envelopes, boxes, crates and pallets are stored in the Mailroom / Bell Stand.

What time are Packages delivered to the Hotel?

Most carriers deliver between 7am and 2pm, Monday thru Friday, and between 9am and 1pm on Saturday.

What if the guest says we have a Package but there is no Message?

The majority of the time, this happens when the Package has someone else's name on it, or it has no name at all. Another reason may be that it was addressed to a non-guest. In this case, we must have a tracking number and run it through the carrier's website to determine if it was in fact delivered.
